

AMENDMENT

Kindly amend the application as follows:

IN THE ABSTRACT:

Kindly replace the Abstract, as originally filed, in its entirety, with the new Abstract as recited in the attached, separate sheet.

ABSTRACT

Methods and compounds for inhibiting the enzymes adenosine monophosphate deaminase or adenoside deaminase are provided. Such methods and compounds are useful in agriculture, horticulture and/or pharmacology as, for example, active compounds for crop protection or pharmaceuticals for humans or animals.
